**I would like to take this opportunity to wish you all a very Merry Christmas and a Happy New Year!**

### Crimes of Note:

#### Suspicious Events

There have been numerous vehicles that have been seen, which are driving around the villages slowly. Paying a lot of attention to people's cars and garages.

Please be mindful of leaving belonging in your vehicles and make sure your vehicles are locked up once left unattended.

A lot of houses in this area have security cameras and "ring doorbells", which is brilliant to help with investigations in future, should anything happen.
