PCSO Sophie Clarke Cuxton & Halling

Crimes of Note:

Speed Watch

Local PCSO have been on Bush Road in Cuxton during and around school times with speed detection equipment following reports of dangerous driving particularly whilst lots of children are leaving school. Coincidentally nobody was caught speeding on this occasion, but rest assured we will be out again in an effort to deter dangerous and inconsiderate driving.

In future your local PCSO will be joined by Police Officers and anyone caught speeding will be sent warning letters, whilst any repeat offenders or drivers majorly over the limit will receive fixed penalty notices.

E – Scooters

After repeated complaints of anti-social riding of E-scooters across Medway. Officers from the Community Safety Unit had a day of targeted action, this resulted in 15 people being reported for summons and having their E-scooter seized!

Rogue Traders

Fraudsters never miss an opportunity and the storm on Friday is just one of them. So, beware of cold callers offering to carry out repairs. Below I have listed the guidelines again on how to protect yourself.

WARNING

- Ask for identification and call their company yourself (not on a number they provide) to check they are genuine.
- Ask the visitor to return another time when someone can be with you.
- Get three written quotes.
- Ask family and friends for recommendations.
- Agree payment arrangements and start and finish dates in writing beforehand, and never pay in full until you're completely satisfied with the work.
- If the price is too good to be true, then it probably is.
- Never feel pressurised and always remain in control.

STORM DAMAGE ROGUE TRADER ALERT!

If you think that you may have been a victim of this type of scam, then contact your Bank immediately and report it to Action Fraud at www.actionfraud.police.uk or calling 0300 123 2040.

Police Community Support Officer Clarke & Mitchell both have access to My Community Voice, and it allows them to engage with the residents of Cuxton & Halling and to keep them up to date with news, alerts, appeals, events and general police activities.

Should you wish to register for this, please see the link below.
