

ROADWORKS, BUSH ROAD. SCHEDULED FOR 28th-30th MARCH 2023

The Parish Council has been advised that Highway Improvement Works are being undertaken from today, Tuesday 28th March until Thursday 30th March outside 180 Bush Road.

As a direct result of a recent multiple vehicle accident, the Parish Council understands that a property wall next to the carriageway was badly damaged and needs to be repaired. Two-way traffic control signals will be necessary to ensure the safety of the workforce.
